PROFILE

International Arbitration

Until March 31, 2020
Strictly for Private Circulation

‘International arbitration practice within the firms specialised practice areas is something that is really specialised and is lacking in the legal sector; Brus Chambers team is aggressive, very good at planning and guiding clients to the right path delivering results’

- Rogaciano Rebelo, Honeywells

‘Genuine industry legal specialists are rare, but they can save time and money for clients.’

- Reena SenGupta, Financial Times

truly specialised...

Brus Chambers accepts International Commercial Arbitration work within the firms specialised practice areas, advising, and/or representing the Claimant or the Respondent, in the areas of:

- a. Commercial, Corporate and Contractual
 - b. Shipping
 - c. Infrastructure, Oil, Gas, Natural Resources,
 - d. Energy & Mining
 - e. Projects – General;
 - f. Enforcement of Arbitral award in India
-

In a contractual dispute where the parties have agreed to institutional international arbitration be it in a dispute relating to commercial or corporate; infrastructure or construction; oil, gas and natural resources; energy and mining or shipping our team assists client from any industry in advising, planning and or representing them in the arbitration.

If there is no arbitration clause in an agreement, the disputing parties to the said agreement may agree to arbitration even at a later date but before initiating legal action in court. Our team assists client in analyzing the contractual dispute understanding the best institutional international arbitration forum and advising; negotiating with opponent for international arbitration under instruction of client; drafting the international arbitration agreement; concluding the same and proceeding with the arbitration.

When an Arbitral award needs to be enforced in India against the respondent our team assists in analyzing the award, advising for enforcement of the award against the respondent party located in India and for the purpose of enforcement file application to the court for appropriate order for enforcement.

Our International arbitration practice includes arbitration with a seat or venue in India or overseas.

Our International Arbitration Practice...

Brus Chambers has an outstanding practice in International Commercial Arbitration

Brus Chambers represents clients from all industry sectors in international commercial arbitration all over the world. The practice embraces arbitration within the areas of commercial, corporate and contractual; infrastructure and constructions; oil, gas and natural resources; energy and mining; shipping; projects related arbitration and enforcement of arbitral award in India;

Our team conducts proceedings in many jurisdictions and under all of the major international arbitration rules, and are accustomed to addressing choice of law, choice of jurisdiction, comparative law and cross-cultural issues. We take full advantage of our network of international law firms and lawyers supported by an advanced, unitary technology platform. This facilitates communication and coordination, both internally and with our clients, and enhances our effectiveness, giving us the edge in transnational, multi-jurisdictional disputes requiring a coordinated strategy and the application of multiple laws.

We pride ourselves in our ability to assemble experienced teams of talented professionals and dedicated support staff to meet the legal, linguistic, technical and any other requirements of any given case across the globe.

Our International Commercial Arbitration practice is headed by Advocate and Solicitor, Ms. Binita Hathi. Ms. Poonam Das and Mr. Prithish Das works alongside.

+ Disbursements on actual

Each client has a dedicated partner (the lead partner) who will lead, co-ordinate and will be directly responsible to meet the client requirements effectively.

During this period, atleast two solicitors/advocates or more lawyers or para-legal if required will be working on the given file to ensure that quality service is delivered, at no extra cost.

Our professional fees will be computed only that of the lead partner.

All Disbursements incurred are computed on actual. Third party costs would include the following (where applicable): travel and transport; photocopying; phones and faxes; experts and counsels; airfare, hotels and meals, video-conferencing; correspondent fees and expenses; court or institutional fees' stamping and registration; government, quasi-government or other fees; other actual expenses.

Timesheet is maintained concerning usage of hours/man-hour computation, the total usage of time is reflected in our Bill of Cost when forwarded.

Should you have any question or wish to discuss our billing rates please do not hesitate to contact the Lead Partner attending the file
